

CALOMEL MAKES YOU SICK, UGH! IT'S MERCURY AND SALIVATES

Straighten Up! Don't Lose a Day's Work! Clean Your Sluggish Liver and Bowels With "Dodson's Liver Tone."

Ugh! Calomel makes you sick. Take a dose of the vile, dangerous drug to-night and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile, crashes into it, breaking it up. This is when you feel that awful nausea and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone.

Here's my guarantee—Go to any drug store or dealer and get a 50-cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't

straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it cannot salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

Why That Lame Back?

Morning lameness, sharp twinges when stooping, or a dull, all-day backache; each is cause enough to suspect kidney trouble. Get after the cause. Help the kidneys. We Americans overdo, overeat and neglect our sleep and exercise, and so we are becoming a nation of kidney sufferers. 72% more deaths from kidney disease than in 1880, is the story told by the 1910 census. If annoyed with a bad back and irregular kidney action, modify the bad habits and use Doan's Kidney Pills.

A Mississippi Case

Geo. Magee, Dale St., Columbia, Miss., says: "I had such severe pains in my back I could hardly sleep. I lost almost sixty pounds in weight, and my limbs were badly swollen. The doctor told me that my condition was critical, but his medicine didn't help me. Finally I used Doan's Kidney Pills and they rid me of the ailment. I have had little trouble since."

TEMPERANCE NOTES

(Conducted by the National Woman's Christian Temperance Union.)

PRIVATE SCHOOLS.

One of the pro-saloon arguments in high license states is that the liquor traffic helps maintain the public schools. A Nebraska newspaper fittingly replies thus: "Yes, that is true, but it does more than that. It maintains a school system of its own. While the little boys are being gathered into the public schools where they are trained to read, to write and to think, the young men are being gathered into the private schools of the liquor traffic, the saloons, where they are trained to swear, to tell lewd stories and to drink."

"The public school takes the boy, builds up his intellect and trends him towards high character and good habits. The private school of the liquor traffic, the saloon, takes that boy when he is a little older, debauches his intellect and trends him toward low character and bad habits."

A NATION'S RIGHT.

Professor Guglielmo, the noted Italian historian, predicts a "world-wide temperance movement as an outcome of the great world war." He says that hereafter no nation can afford to consider the prosperity of distillers and brewers above the welfare of the people. "Has not the state," he inquires, "the right and the duty to ask each citizen to sacrifice his goods and his life to save his nation from a foreign aggression against its glory, power, liberty or riches? And has it not the right to demand the renunciation of a few minutes of unhealthy, torpid joy to regenerate the citizen's health and save himself and future generations all the misfortunes of which drunkenness is the mother?"

ABOUT ALCOHOL.

This from the Technical World: "Emperors, business men, social reformers, are all agreed upon one thing: Alcoholic drinks work positive harm. A single glass of beer lessens a man's efficiency 7 per cent. Imagine then what larger quantities of wine, gin or whisky will do. The up-to-date employer will not keep men who drink even in moderation. The secretary of the navy will not allow them on our warships. 'Every commander in the field today in Europe is leading a sober army. Everywhere the brains of the world recognize that alcoholic liquors weaken both muscle and mind power.'"

MADNESS AND SANITY.

"In years to come, when we read the history of this decade," says the Kansas City Star, "the red streak caused by the upheaval in Europe may be no broader than the white one which will represent the world's severing of polite relations with John Barleycorn. If the military madness of Europe does result in the liquor sanity of the world, the war may be hailed as the greatest blessing to mankind since the advent of Christianity."

A BAD MIXTURE.

"I know from experience that whisky and ammunition mixed make trouble," said ex-Governor Oswald West of Oregon in explanation of his action in closing the Copperfield saloons more than a year ago. "I learned that a large number of persons in Copperfield were going armed. I did not want to take any chances of anybody getting killed, so I put the town under martial law and confiscated the whisky."

ALCOHOL AND ACCIDENTS.

From 7 to 43 per cent of accidents are due directly or indirectly to drink, according to estimates of medical directors of three United States life insurance companies. Railroad accidents, 7 per cent; street cars, 8 per cent; automobiles, 10 per cent; vehicles and horses, 8 per cent; heat and sunstroke, 43 per cent; machinery, 7 per cent; mines and quarries, 8 per cent; drowning, 13 per cent; gun shot, 10 per cent.

ESSENTIAL FOR SAFE CONDUCT.

The Boston Elevated Railway company, which was the recipient of a gold medal this year from the American Museum of Safety for the excellency of the methods used by it in promoting the safety and health of all employees, requires that "all men engaged in the car and train service must be free from the liquor habit as absolutely essential for the safe conduct of the business."

DEPRESSES INTELLECT.

One-half of one bottle of wine or two to four glasses of beer a day depress every form of intellectual activity.—Prof. J. J. Abel, Johns Hopkins University, Baltimore.

GOING TO CLOSE THEM.

Dr. William G. Shaw, general secretary of the United Society for Christian Endeavor, had just finished an appeal for missions at one of the meetings of the great convention in Chicago, when a white-faced woman in the audience arose and, pointing a shaking finger at the chairman, cried: "Close the saloons and I'll have some money to give." "Amen!" shouted Doctor Shaw. "We'll close the saloons; we're going to close the doors of every grogshop in Christendom."

WOMEN SUFFERERS NEED SWAMP-ROOT

Thousands upon thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

You may suffer a great deal with pain in the back, headache, loss of ambition, nervousness and may be despondent and irritable.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, restores health to the kidneys and is just the remedy needed to overcome such conditions.

Get a fifty cent or one dollar bottle immediately from any drug store.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Adv.
